

Home & Investment Loans cover a broad range of purposes for individuals or families, including:

Buying a home, investment property or house and land package

Renovating

Buying a car

Consolidating consumer debts (personal loan, credit cards etc) into one home loan

Refinancing

## The Duo Way

### Tailored to partner with you

Every client is unique. We focus on your requirements and objectives to ensure that the loan structure, loan product and strategy is tailored to suit your priorities.

### Expertise

Every bank and lender have different lending policies, which can make the difference between success and failure with loan approvals. We can advise on the most suitable loan product, in line with your requirements and objectives, and help you create a strong application, giving you the best chance at success.

### Communication

Communication is key to success. We know that finance can be confusing, so we will walk you through it - we will explain our strategy together with the loan application process. We are here to answer your questions.

### Execute the Strategy

At Duo, we take time and care to package your loan application, covering the details that the bank will consider when assessing your loan.
